AGRINET WORK QUEUE EDITION

Some people thrive on chaos.
For everyone else, there's the AgriNet® Work Queue.

Our new one-stop task list brings together your policy statuses, document deadlines, underwriter requests, and more on a single screen.

- ✓ Get your work done faster with a streamlined workflow.
- ✓ See through the clutter: filter items by due date, policyholder, and more.
- ✓ Know at a glance which tasks are done and which are due soon.
- ✓ Catch PASS errors and other issues before they impact claim payments.

The Work Queue is just one of the exciting enhancements included in our AgriNet update. Visit agrisompo.com/agrinet-update to see the newest features or call +1 800 335 0120 to request a demo from one of our friendly marketing representatives.
